## MITREBOND PEN

MitrePen is a quick and clean way to apply MitreBond Activator.

- Precision marker rather than a spray.
- Prevents the staining caused by overspray.
- MitrePen covers the same area as 3 x 200ml activator sprays.
- Cures MitreBond in 10 seconds.

## Directions of Use

- Ensure both surfaces to be joined are clean cut and free from oil or grease.
- Apply MitreBond adhesive to one side of the joint.
- Apply MitrePen activator to the other side of the joint.
- Quickly bring the two sides into line and firmly press together, hold for 10 seconds.

## Health & Safety

- Keep in a cool well-ventilated area away from sources of ignition.
- Keep away from children at all times.
- Keep containers sealed.
- Use in a well-ventilated area.
- Avoid contact with skin and eyes.
